Abu Dhabi National Takaful Co. PSC becomes the exclusive insurance partner to the first electric car manufacturing in the UAE

Abu Dhabi National Takaful Co. PSC and Al Damani Motor Vehicles Manufacturing L.L.C a subsidiary of M Glory Holding have signed an exclusive agreement to provide comprehensive & third-party liability motor insurance products. These products and their related services will be offered through Al Damani Motor Vehicles Manufacturing L.L.C's platform to its clients in the UAE.

Speaking about the partnership, **Khamis Buharoon Al Shamsi, Chairman of the Board of Directors, Abu Dhabi National Takaful Company** said “The use of electric cars will continue to rapidly increase in the future. Our partnership with Al Damani Motor Vehicles Manufacturing L.L.C demonstrates that we actively engage in new forms of mobility to provide innovative motor insurance products with 360-degree vehicle protection to our clients.”

Osama Abdeen, Chief Executive Officer, Abu Dhabi National Takaful Company said “Our partnership with Al Damani Motor Vehicles Manufacturing L.L.C is built on our shared passion for improving client access to quality products & services. We are confident that our motor insurance solutions will meet the unique motor insurance requirements of Al Damani's prestigious clients by giving them superior protection at all times and anywhere in the UAE.”

Dr. Majida Al Azazi, Chairman and CEO, Al Damani Motor Vehicles Manufacturing L.L.C said “Motor insurance solutions offered by Abu Dhabi National Takaful Co. PSC to our clients fits perfectly into our bouquet of services. Given Abu Dhabi National Takaful's vast experience in providing high standard motor insurance, our clients can be rest assured knowing that their motor insurance needs, and well-being will be taken care of.”
