REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF ABU DHABI NATIONAL TAKAFUL COMPANY P.S.C.

Introduction

We have reviewed the accompanying condensed statement of financial position of Abu Dhabi National Takaful Company P.S.C. (the “Company”) as of 30 June 2021, comprising the condensed statement of financial position as at 30 June 2021 and the related condensed statements of profit or loss, comprehensive income, changes in shareholders’ equity and cash flows for the six month period then ended, and a summary of significant accounting policies. Management is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34, “*Interim Financial Reporting*” (“IAS 34”). Our responsibility is to express a conclusion on these interim financial information based on our review.

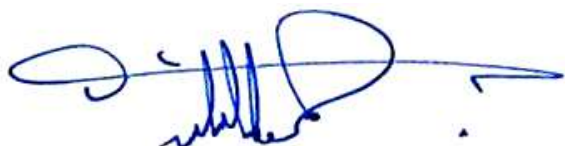

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, “*Review of Interim Financial Information performed by the Independent Auditor of the Entity*”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with IAS 34.

**Notes to the interim financial information
for the six month period ended 30 June 2021**

1 Corporate information

Abu Dhabi National Takaful Company PSC (the “Company”) is a public shareholding company which was incorporated in Abu Dhabi, United Arab Emirates (“UAE”) on 16 November 2003. The Company is registered in accordance with the Federal Law No. (2) of 2015.

The Federal Decree-Law No. 26 of 2020 on the amendment of certain provisions of Federal Law No. 2 of 2015 on Commercial Companies was issued on 27 September 2020 and took effect starting from the 2 January 2021. The Company shall apply and adjust their status in accordance with the provisions thereof by no later than one year from the date on which this Decree-Law takes effect.

The Company carries out takaful and retakaful activities of all classes in accordance with the provisions of the UAE Federal Law No. (6) of 2007 regarding the Establishment of the Insurance Authority and Insurance Operations. The Company is domiciled and operates in the UAE and its registered address is P.O. Box 35335, Abu Dhabi, UAE.

2 Basis of preparation and accounting policies

Basis of preparation

The interim financial information for the six month period ended 30 June 2021 has been prepared in accordance with International Accounting Standard 34 “Interim Financial Reporting” (“IAS 34”).

The interim financial information does not contain all information and disclosures required in the annual financial statements prepared in accordance with the International Financial Reporting Standards, and should be read in conjunction with the Company’s annual financial statements for the year ended 31 December 2020. In addition, results for the six month period ended 30 June 2021 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2021.

The interim financial information are presented in UAE Dirhams (AED) being the functional and presentation currency of the Company.

The interim financial information has been prepared on the historical cost convention as modified for re-measurement of investment securities and investment properties at fair value.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, except for the adoption of new and amended standards as set out below.

**Notes to the interim financial information
for the six month period ended 30 June 2021 (continued)**

2 Basis of preparation and accounting policies (continued)

2.1 New standards, amendments and interpretations

Amendment to standards and interpretations issued and effective during the financial year beginning 1 January 2021.

• *Interest Rate Benchmark Reform –Phase 2*

The amendments in Interest Rate Benchmark Reform- Phase 2 (Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16) introduce a practical expedient for modifications required by the reform, clarify that hedge accounting is not discontinued solely because of the IBOR reform, and introduce disclosures that allow users to understand the nature and extent of risks arising from the IBOR reform to which the entity is exposed to and how the entity manages those risks as well as the entity's progress in transitioning from IBORs to alternative benchmark rates, and how the entity is managing this transition.

2.2 New and revised IFRS in issue but not yet effective

The Company has not yet applied the following new and revised IFRSs that have been issued but are not yet effective:

- *Classification of Liabilities as Current or Non-Current - amendments to IAS 1 (effective from 1 January 2023)*. The amendments aim to promote consistency in applying the requirements by helping companies determine whether, in the statement of financial position, debt and other liabilities with an uncertain settlement date should be classified as current (due or potentially due to be settled within one year) or non-current;
- *Reference to the Conceptual Framework - Amendments to IFRS 3 (effective from 1 January 2022)*. The amendments update an outdated reference to the Conceptual Framework in IFRS 3 without significantly changing the requirements in the standard;
- *Property, Plant and Equipment - Proceeds before Intended Use - amendments to IAS 16 (effective from 1 January 2022)*. The amendments prohibit deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognises the proceeds from selling such items, and the cost of producing those items, in profit or loss;
- *Onerous Contracts - Cost of Fulfilling a Contract - amendments to IAS 37 (effective from 1 January 2022)*. The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract);
- *IFRS 17: Insurance Contracts (effective from 1 January 2023)*. IFRS 17 requires insurance liabilities to be measured at a current fulfilment value and provides a more uniform measurement and presentation approach for all insurance contracts. These requirements are designed to achieve the goal of a consistent, principle-based accounting for insurance contracts. IFRS 17 supersedes IFRS 4 Insurance Contracts as at January 1, 2023;

**Notes to the interim financial information
for the six months period ended 30 June 2021 (continued)****2 Basis of preparation and accounting policies (continued)****2.2 New and revised IFRS in issue but not yet effective**

- *Amendments to IFRS 10 Consolidated Financial Statements and IAS 28 Investments in Associates and Joint Ventures (2011)* relating to the treatment of the sale or contribution of assets from an investor to its associate or joint venture. (Effective date deferred indefinitely. Adoption is still permitted).
- *Annual Improvements to IFRS Standards 2018–2020 (effective from 1 January 2022)*. The Annual Improvements include amendments to IFRS 1 First-time Adoption of International Financial Reporting Standards (effective from January 1, 2022), IFRS 9 Financial Instruments (effective from January 1, 2022), IFRS 16 Leases (effective date not yet decided) and IAS 41 Agriculture (effective from January 1, 2022).
- *Disclosure of Accounting Policies - Amendments to IAS 1 and IFRS Practice Statement 2 (effective from 1 January 2023)*. The amendments require that an entity discloses its material accounting policies, instead of its significant accounting policies. Further amendments explain how an entity can identify a material accounting policy. Examples of when an accounting policy is likely to be material are added. To support the amendment, the Board has also developed guidance and examples to explain and demonstrate the application of the ‘four-step materiality process’ described in IFRS Practice Statement 2.
- *Definition of Accounting Estimates - Amendments to IAS 8 (effective from 1 January 2023)*. The amendments replace the definition of a change in accounting estimates with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The amendments clarify that a change in accounting estimate that results from new information or new developments is not the correction of an error.

The above stated new standards and amendments are not expected to have any significant impact on financial statement of the Company, except for IFRS17 as mentioned below.

There are no other applicable new standards and amendments to published standards or IFRIC interpretations that have been issued that would be expected to have a material impact on the financial statement of the Company.

Management anticipates that these new standards, interpretations and amendments will be adopted in the Company’s financial statements as and when they are applicable and adoption of these new standards and amendments may have no material impact on the condensed financial information of the Company in the period of initial application, except for IFRS 17 and IFRS 9.

3 Critical accounting judgments and key sources of estimation uncertainty

The preparation of these condensed financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed financial statements, the significant judgments used by management in applying the Company’s accounting policies, and the key sources of estimates uncertainty were same as those applied to the financial statements as at and for the year ended 31 December 2020. The Company consistently monitors the impact of COVID-19 on the significant assumption impacting the company.

21 Impact of Covid-19 on the Company

The COVID-19 pandemic has turned into a global crisis that has disrupted the global economy. The crisis is hitting the insurance industry more universally and faster. In light of the prevailing circumstances due to the spread of the COVID-19, we, Abu Dhabi National Takaful Co. PSC, acted responsibly and proactively and started implementing adequate measures at an early stage to ensure business continuity while maintaining the level of services to the customers and business partners with minimum interruptions.

The Company have both a Disaster Recovery Plan and Business Continuity Plan in place to manage emergencies or disaster related situations.

In light of the prevailing circumstances of drop in oil prices along with lockdown due to COVID-19, we have been witnessing a shift in consumer behavior at an increasing pace where demand for luxury products with high profit margins such as life insurance, high value vehicles cover, specialty covers, enhanced medical and general insurance protections is shifting towards mandatory and basic coverages that are usually price sensitive with lower margins.

21 Impact of Covid-19 on the Company (continued)

The Company is following our current underwriting guidelines that are adequate in risk selection and risk management. The effect of these changes is limited on our portfolio. As to date, we have not experienced any significant impact on our claims related to COVID-19. Since the observed impact of the pandemic has not yet crossed the thresholds set in the existing stress testing scenarios, no change has been made to our products assumptions as yet. However, on the reserving side, we are anticipating significantly higher losses in Medical line and lower losses in Motor line of business (this is supported by current claims data) and our reserving assumptions have been adjusted accordingly.

The Company is confident that the its well diversified investment portfolio that has significantly grown over the past years is strong to withstand the adverse conditions of the market and our high level of liquidity gives the ability to seize opportunities as they arise when the investment markets are back to the new norm.

In response to this crisis, the Company continues to monitor and respond to all liquidity and funding requirements through its Liquidity Contingency Plan and stress tests reflecting the current economic scenarios. As at the reporting date the liquidity, funding and capital position of the Company remains strong and is well placed to absorb the impact of the current disruption.
